

**New York, New York (Frank Sinatra/Liza Minelli, 1977)**

<b>the news</b>	<b>I'm leaving today</b>	<b>be a part of it</b>
<b>wake up</b>	<b>doesn't sleep</b>	<b>king of the hill</b>
<b>a brand new start</b>	<b>make it there</b>	<b>It's up to you!</b>

**Englishman in New York (Sting, 1987)**

<b>tea</b>	<b>toast</b>	<b>hear it in my accent</b>
<b>walking down Fifth Avenue</b>	<b>I'm an alien</b>	<b>I'm a legal alien</b>
<b>the hero of the day</b>	<b>suffer ignorance and smile</b>	<b>Be yourself, no matter what they say.</b>

NY I love you, but you're bringing me down (LCD Soundsystem, 2007)

<b>You're bringing me down.</b>	<b>Minimum wage</b>	<b>Wasting my time</b>
<b>Filthy but fine</b>	<b>You're perfect.</b>	<b>Don't change a thing.</b>
<b>Neighborhood bars</b>	<b>You're freaking me out.</b>	<b>Take me off your mailing list.</b>

Your Song here 😊
